

West Coast Weather Vanes

Types of Cupolas

There are two main types of cupolas: Decorative and Functional. Decorative Cupolas sit on top of a closed roof. Functional Cupolas are open to the main structure. (See illustrations below.)

<p style="text-align: center;">#1</p> <p style="text-align: center;">DECORATIVE CUPOLA WITH INTERNAL CROSS BRACE</p> 	<p style="text-align: center;">#2</p> <p style="text-align: center;">FUNCTIONAL CUPOLA WITH VAULTED CEILING</p> 
<p style="text-align: center;">Decorative Cupola with Internal Cross Brace With access <i>inside</i> the cupola</p>	<p style="text-align: center;">Functional Cupola with Vaulted Ceiling</p>
<p style="text-align: center;">#3</p> <p style="text-align: center;">DECORATIVE CUPOLA NO INTERNAL CROSS BRACE</p> 	<p style="text-align: center;">#4</p> <p style="text-align: center;">FUNCTIONAL CUPOLA WITH CEILING</p> 
<p style="text-align: center;">Decorative Cupola with No Internal Cross Brace</p>	<p style="text-align: center;">Functional Cupola with Ceiling and Internal Access</p>
